## PEANUT BUTTER BREAD PUDDING

This is an advanced cooking project. Young children can spread peanut butter, cut bread, and break eggs, but an adult must scald the liquid. Older children can pour milk and whip the eggs.

2 c. milk, preferably lowfat  
3 T. peanut butter  
2 eggs  
3 slices bread, preferably whole wheat  
1/2 c. of sugar

Scald milk and add sugar.

Beat eggs and gradually add milk mixture.

Spread peanut butter on bread and cut into small cubes.

Put cubes into a greased, one-quart baking dish and pour in milk mixture.

Set in pan of hot water.

Bake immediately at 350 degrees for an hour and 15 minutes, or until set.
